

# Recognizing Our Organizational Excellence In Action

*Ron Palermo*

## “Customer Focus”

“Ron Palermo does a great job representing Four Seasons in the Northeast - Ron comes through and gets the job done. Our relationship with Ron is the reason we stay with Four Seasons Produce on bananas. Ron promised to add \$1MM in revenue to our business and he delivered. Our organic sales have taken off...you are lucky to have Ron on your team”

~ Michael Strock, S. Strock and Co.
